Autumn 1

Toys

Our Theme

Our theme for Autumn 1 is "In the Toy Box".

Have a look below at how we will be learning about all things toys across our curriculum!

My Communication

In My Communication we will be exploring our favourite toys and developing a bank of preferences so that we can make requests to play with these in class. We will be learning to recognise the symbols and signs for these toys. We will also be extending our repertoire of play skills so that we can learn to play with new toys. We can't wait to read our new sensory story "In the Toy Box"!

We will be working on reading, writing and communication and interaction ALI's across the timetable.

We will be enjoying daily Attention Autism sessions to support out joint attention and communications skills.

My Thinking and Problem Solving

In My Thinking and Problem Solving we will be learning to choose our favourite toys, recognise when there are missing pieces and know where to find them.

We will be using money in our pretend play toy shop and learning how to give a coin in exchange for a toy.

We will be working on number and cognition and learning ALI's across the timetable.

The World about Me

In The World about Me, we will be exploring toys from the past and looking at how they are different from toys we have now and exploring our favourites.

We will be practising our dressing skills during PE and even dressing and undressing our dolls in class.

Me and My Body

In Me and My Body, we will be taking part in lots of physical activity across the timetable including sensory circuits, riding bikes and playing on the playground equipment. We will be learning to dance and move like toys in our PE lessons.

We will be thinking about our mental health and what makes us happy by exploring our preferences.

My Community

In My Community, we will be growing our independence in travel around the school and learning to transition with independence and following a visual schedule to support us.

In school, we will be developing our social skills and learning to play with each other gaining skills like sharing, waiting and turn taking.

My Creativity

In My Creativity, we will be creating lots of different toy-based art and exploring different textures with our hands! We will practice our fine motor skills by printing and painting to make beautiful creations and We will be listening to different music and dancing like our favourite toys.

How can you help at home?

There are lots of ways to support your child's learning at home. Have a look at the suggestions below for some ideas:

- ✓ Using key vocabulary, Makaton signs and symbols when communicating with your child.
- ✓ Incorporating your child's Aspirational Learning Intentions into your routine at home.
- ✓ Showing your child how to play with different toys.
- ✓ Taking your child to the shops where possible, to practice exchanging coins for items.

Home-School Communication

Home-school communication is important to us and helps us to support your child the best that we can. Here are some different ways to keep in touch...

- ✓ Writing in the home-school diary
- ✓ Emailing me at spearc@astleypark.lancs.sch.uk
- ✓ Coming into school for parents evening and sharing our learning sessions
