

Summer 2021

Dear Parents/Carers

RE: School Milk

We offer school milk as an option to all our pupils. This is provided in an individual portion each morning for those who have requested it. We ask for payment towards the end of the term in advance enabling the correct volume to be ordered.

The current price is £22.50 per term. When your child starts school you will be set up on parent pay to make the initial payment. Future terms the payment item will become available on parent pay for ordering and payment.

If you would like your child to have school milk please complete the details below and return to school with your other admissions forms.

Many thanks
